

Certificate No. VS 4116

Date: April 8th, 2013

VALLOUREC & MANNESMANN TUBES

Oil & Gas Division

THIS IS TO CERTIFY THAT

APOLLO MACHINE AND WELDING LTD
Edmonton, Canada

Has been granted a **VAM** License to apply **VAM** joints technology to oilfield accessory equipment and to repair **VAM** joints on tubular products.

The license was granted after assurance had been obtained that the Licensee's machining capabilities, quality control procedures, reputation in the oil and gas industry and ethics are in keeping with the requirements of **VAM** Services, a division of VALLOUREC MANNESMANN OIL & GAS FRANCE.

Their Quality and compliance to **VAM** Specifications are checked at least once a year during the Annual **VAM** Audit.

APOLLO MACHINE AND WELDING LTD, Edmonton, Canada, is a distinguished member of the world-wide **VAM** Licensee network.

A handwritten signature in black ink, appearing to read 'François David'.

François DAVID

General Manager of VAM® Services
